Project Description – Please provide a brief description of the project. Explain the community need that your project addresses and your proposed plan to address this need.

Project Timeline – Please include a description of your proposed project timeline, taking into consideration that funds will be available as of January 1, 2025 and all funds must be spent and project activities concluded by September 30, 2025. Project activities may begin as early as July 1, 2024.

Reference to Plan – Please provide a brief description of how this project aligns with the goals and strategies defined in the Slate Belt Rising Community Plan 2022-2028 for your focus area(s) (Vibrant Economic Climate, Quality Affordable Housing, Regional Cooperation & Community Engagement). If your proposed action addresses multiple strategies across sectors of the plan, please describe them all. (*Goals and strategies are available in the Request for Project Proposals document*).

Expected Outcomes – Please include at least two quantifiable projected outcomes of your project.
Example: Two façade improvements will be completed on Delaware Ave. in Portland Borough.
At least 10 low- to moderate-income residents will have their home’s facade rehabilitated.

Population Demographics – is there a specific demographic of community members that the proposed project targets? (e.g., low-income families, racial and/or ethnic groups, youth, etc.)

Number of Slate Belt Residents Impacted – please estimate the total number of Slate Belt residents directly impacted by the proposed project.

Sustainability and Additional Funding Sources – Is there a minimum funding requirement for your project to be feasible? Would the proposed project succeed without funding through SBR? If your proposed action requires hiring project personnel and/or will extend beyond the program year, please explain how you plan to sustain the project.

Amount Requested: _____ (Use the budget table below to show how funds will be used.)
